PUT YOUR SKILLS TO GOOD HEALTH

Changing demand on health and medical services means there's no better time to explore new opportunities and lead the way.

UOW's Graduate Certificate in Medical and Health Leadership is an online qualification for health professionals with a clinical or professional background who are looking to develop their leadership and management skills.

Designed by industry and academic experts, you will gain an in-depth understanding of clinical governance, healthcare systems, leading change in healthcare and emotional intelligence. This course will equip you with the necessary knowledge and skills to lead and manage teams of health professionals.
